#### OUTDOOR ROOMS AND STYLIZED BOMANITE CONCRETE SYSTEMS MAKE FOR A WELCOMING SPACE

The homeowners of this large backyard lot recognized the possibilities that could provide them with outdoor spaces for dining, entertaining, and relaxing using multiple Bomanite Concrete Systems throughout this welcoming resort like space. Bomanite Licensee, [Concrete Arts, Inc.](#) being the homeowner, wanted a place for his family that showed the creativity and beauty of concrete and its endless possibilities. Working with Landscape designer Mark Huri early on helped with the transformation. From his experience, Huri knew that with the right layout and a small bit of terracing, it could provide an opportunity to stylize a very special retreat. The design incorporated a full-size pool deck, cabana, courtyard and waterfall feature.

The Interior Cabana floor was created with the [Bomanite Imprinted Concrete System](#) using an Integral gray color, stamped with the Bomacron Slate Texture pattern and then antiqued and color washed in a darker gray. The Cabana walls consisted of the [Bomanite Topping Systems Overlay – Bomanite Thin-Set](#), which was vertically embossed and textured to resemble wood plank using the Bomacron 11 ½” Boardwalk pattern....
